SPRING PIPELINE SAFETY WORKSHOP

The Office of the State Fire Marshal (SFM) regulates the safety of approximately 5,500 miles of intrastate hazardous liquid transportation pipelines and acts as an agent of the federal Office of Pipeline Safety concerning the inspection of more than 1,300 miles of interstate pipelines. Pipeline Safety staff inspect, test, and investigate to ensure compliance with all federal and state pipeline safety laws and regulations.

The Office of the State Fire Marshal, Pipeline Safety Division, holds a workshop bi-annually to give people in the industry an opportunity to learn about new and current pipeline regulations, discuss the

latest technology, listen to speakers from various branches of government, and network with others in the industry.

Date: Wednesday, May 21, 2003

Time: 9:00 a.m. – 4:00 p.m.

Location & Lodging:

Embassy Suites Hotel/Buena Park

Reservations: (714) 739-5600

7762 Beach Boulevard

Buena Park, California
